The Hematology-Oncology team at Bryn Mawr Medical Specialists (BMMSA) is comprised of physicians who are board certified in Oncology, Hematology and Internal Medicine, oncology nurse specialists, lab and support staff. Our physicians care for patients with hematologic (blood) or oncologic (cancer) conditions. When necessary, our physicians admit patients to Bryn Mawr Hospital.

The Bryn Mawr Hospital and our practice provide a complete range of hematology and oncology services with a very "patient-oriented" philosophy.

Sandra F. Schnall, M.D. is a graduate of Tufts University and Jefferson Medical College. She completed a fellowship in both Hematology and Oncology at the Yale University Cancer Center in 1986 and most recently was an Associate Professor at Temple Cancer Center before coming to BMMSA in 1998.

John G. Devlin, M.D. is a graduate of St. Joseph's University and Temple University School of Medicine. He completed his residency in Internal Medicine as well as a fellowship in both Hematology and Oncology at Temple University Hospital and Fox Chase Cancer Center. He joined BMMSA in July 2007.

Sameer Gupta, M.D., M.P.H. is a graduate of Maulana Azad Medical College and All India Institute of Medical Sciences in India, as well as the University of Alabama at Birmingham. He completed a residency in Internal Medicine at the State University of New York in Buffalo, and a fellowship in both Hematology and Medical Oncology at Temple University Hospital and Fox Chase Cancer Center. He is currently a Clinical Assistant Professor of Medicine at Jefferson Medical College. He joined BMMSA in 2011.

Molly S. Stumacher, M.D. is a graduate of Harvard University and Harvard Medical School. She completed her residence at Brigham and Women's Hospital in Boston and a fellowship in both Hematology and Oncology at the University of Pennsylvania School of Medicine in Philadelphia. Prior to joining BMMSA, Dr. Stumacher practiced at Penn Hematology-Oncology of Chester County for 12 years. She joined BMMSA in July 2018.

Eric Fox, D.O. is a graduate of The George Washington University, Boston University School of Medicine, and the Touro College of Osteopathic Medicine. He completed his residency in Internal Medicine and his fellowship in Hematology/Oncology at Lankenau Medical Center. He joined BMMSA in 2023.

BMMSA's Hematology-Oncology physicians have contributed to the medical literature and are active in clinical research. The growing Bryn Mawr Hospital Cancer Program provides care for over 1,000 newly diagnosed patients annually, and here patients have access to clinical studies of all major National Cancer Institute clinical research groups, such as the Eastern Cooperative Oncology Group (ECOG-ACRIN), the Alliance Oncology group, NRG Oncology, Southwestern Oncology Group (SWOG), as well as other studies from independent companies or research consortiums.

Our office and treatment center is located in the Bryn Mawr Medial Arts Pavilion at 825 Old Lancaster Road, Suite 440, in Bryn Mawr (across from the Warden Lobby of the Bryn Mawr Hospital).

We may be reached by phone, day or night, at 610-525-4511. Our fax number is 610-525-8561. If you are a new patient, please complete the enclosed patient information form and bring it with you at the time of your initial consultation. We will obtain any pathology and radiology results from Bryn Mawr Hospital. However, we ask that you obtain relevant records, radiology and pathology reports and slides from any other hospitals and from other physicians and bring these with you at the time of your first visit (or have these faxed to us beforehand).

Relevant medical literature about your condition is available by brochure, pamphlet, etc. at our office.

Financial Policy

We would like to take this opportunity to welcome you to our offices and assure you that we will do our utmost to provide you with the best possible care.

Patients with Insurance Coverage

We will be glad to help you obtain the appropriate benefit from your insurance carrier. It is your responsibility to read and understand your insurance agreement; certain services may or may not be covered, depending on your individual policy. **Please provide current insurance information to the office, including any changes in coverage.** If your insurance requires a form, please provide one to the office. We will bill your insurance carrier as a courtesy to you. **However, you are ultimately responsible for the payment of the bill.**

Portions of the bill may not be paid by the insurance company, and are to be paid by the patient. For example, a co-payment may be required by you as per your insurance agreement. If you are having treatment over a period of time, we appreciate payment during the course of treatment. Our Business Office will gladly assist you in arranging a payment plan. If you are unable or unwilling to accept responsibility for your account balance, please be advised that your account may be forwarded to a collection agency, which will adversely affect your credit.

If you have a **High Deductible Health Plan (HDHP)**, please notify the office prior to your visit. If you have not met your deductible, we will bill you directly for any balance due. Please note, the office may request payment up front.

If you are covered through an **out-of-state insurance plan**, it is your responsibility to contact your carrier and determine if our physicians participate with your plan. Please note that these types of plans typically carry high out-of-pocket expenses.

Patients without Insurance Coverage

Patients without insurance coverage are requested to pay for services as rendered. We accept MasterCard and Visa payments.

I have read and understand the Financial Policy of Bryn Mawr Medical Specialists Association.

I understand that I have received a recommendation for treatment for my medical condition from my physician. I also understand that sometimes an insurer, including mine, may not pay for treatment, even when recommended by my physician. The physicians at BMMSA cannot predict with certainty whether my insurer will pay for this treatment. BMMSA may have a contact with my insurer that precludes BMMSA from billing and collecting payment from me for services that my insurer refuses to pay unless I agree beforehand that I will pay for such treatment. I hereby do agree to pay for the above therapy and related costs if my insurer will not.
